TERMS & CONDITIONS

RESIDENCY

A nominee is a resident of a town/city/shire if they consider the town/city or shire their primary place of residence. For example, several nominees are required to train and compete for extended periods internationally to compete at the level they have attained; however, they return to their permanent residence within their host local authority when in the NQSF region. Membership of local sports club or association assists proof of residency. If the athlete trains away from their hometown but maintains a connection and regularly returns, they may still select their home region. North Queensland born Golf Star Karrie Webb is an example of a person who could not be nominated because she resides full time in another country. If you have any questions or unsure of eligibility, please contact the NQSF team.

APPLICATIONS

All applications are to be submitted via our online portal. <https://nqsports.com.au/nq-sportstar-awards/> We ask that all councils proofread their nominations very carefully prior to submitting to us to avoid any applicants being penalised for incomplete applications.
